## Education:

Dartmouth College, Hanover, NH

B.A. in Environmental Earth Sciences, June 2005

Thesis: Glacial erosion quantified using suspended sediment transport in streams – field research conducted in the Chugach Mtns, AK.

Course work included hydrology and stream geomorphology.

## Experience:

Worked on feasibility and conceptual designs for 5 different whitewater improvements projects. Saw projects through initial planning phases including site evaluation, public process and permit applications. Experience working with cities, paddling groups, engineers and other planners and designers.

Kayak Instructor, 1999-2007

Instructor for various organizations including the Rocky Mountain Outdoor Center in Salida, CO, Outdoor Divas in Boulder, CO, the Ledyard Canoe Club in Hanover, NH and Mascoma Express kayaking club in Canaan, NH.

United States Jr. Whitewater Slalom Kayak Team, 2000

Competed in whitewater slalom events throughout the county as well as internationally.
